COMPLETED PROJECT • THE ÂNG SCHOOL 5-ROOM BUILDING

All 2011 unless noted. Top row, left to right: Kilong Ung, founder of Golden Leaf Education Foundation (GLEF) cuts the red ribbon at the opening of GLEF's first school – the Âng School. The front of the brand new, five-room Âng School. Bottom row, left to right: Âng School students receive bikes through the Bike Campaign (GLEF in partnership with Cambodian-American Community of Oregon). Brand new desks in the GLEF Âng School building. Âng School students are now using their new school. Angled photos, top to bottom: Students at the GLEF Âng School Grand Opening. Each student (over 400) received a new uniform, undergarment, sandals and school supplies thanks to generous donors (U.S. and Canada). Taing Krosaing Junior High School students sit at new desks donated through one of three GLEF Desk Campaigns. "Tiles for Peace" project at Taing Krosaing Junior High School with GLEF sister school, Revelstoke Secondary School (Canada) lead by GLEF volunteer Krista Carnegie. GLEF President Norb Murray and Ambassador Hem at the Âng School construction contract approval meeting along with GLEF delegates and many village elders. Some of GLEF's annual fundraiser entertainment highlights. Please join us at the 2012 event – info below.
